2 RULES AND REGULATIONS

2.1 English Law
This Notice of Race, and the terms of the contract created by the acceptance of a boat’s entry in any race or event governed by this Notice of Race, shall be governed by and construed in accordance with English law. Any dispute which cannot be resolved under Part 5 of the Racing Rules of Sailing shall be referred to the exclusive jurisdiction of the English Courts.

2.2 Racing Rules of Sailing

2.3 National Authority Prescriptions
The prescriptions of the RYA will apply (https://www.ya.org.uk/racing/racing-rules/Pages/racing-rules-downloads.aspx). No other National Authority prescriptions shall apply.

2.4 Class Rules
The rules and regulations of appropriate One Design and/or restricted class rules.

2.5 2020 World Sailing Offshore Special Regulations (OSR)
The World Sailing Offshore Special Regulations Category 3 plus Category 2 Liferaft, EPIRB, AIS Transponder and RORC Prescriptions.
When details of Special Regulations cannot be met the Committee may accept an alternative.

2.6 International Regulations for Prevention of Collision at Sea
Except when changed in Sailing Instructions, the rules of RRS Part 2 shall not apply between the times of local sunset and local sunrise, and shall be replaced with the right-of-way rules of IRPCAS (International Regulations for Preventing Collisions at Sea).

2.7 Notice of Race
This Notice of Race and any amendments to the Notice of Race.

2.8 Sailing Instructions
Sailing Instructions will be issued to boats that have met all of the entry requirements.
Where there is a conflict between the Notice of Race and the Sailing Instructions, the Sailing Instructions shall prevail.

3 ADVERTISING
Boats may be required to display advertising chosen and supplied by the Organising Authority.
4 RESPONSIBILITY

4.1 The Person in Charge

Yacht racing can be dangerous. The attention of Persons in Charge is drawn to RRS Fundamental Rule 4: “The responsibility for a boat’s decision to participate in a race or to continue racing is hers alone” and to Special Regulation 1.02.1 which begins: “The safety of a boat and her crew is the sole and inescapable responsibility of the Person in Charge…”

4.2 The RORC

The RORC, its sponsors and other organising clubs, accept no responsibility or liability for loss of life or injury to members or others, or for the loss of, or damage to, any vessel or property.

4.3 Misconduct

The Person in Charge and crew will be held jointly responsible for the conduct of the boat’s crew before, during and after a race. Misconduct may result in both the Person in Charge and crew being excluded from future races and renders a boat liable to disqualification.

4.4 Starting and Continuing to Race

The Race Committee will make starting signals unless in their opinion it is manifestly unsafe for any of the boats entered to remain in the vicinity of the starting line. Each boat shall exercise her responsibility under RRS Fundamental Rule 4 and decide whether or not to start or to continue to race.

4.5 Race Declaration(s)

No boat will be accepted as an entry unless the Person in Charge has, before the start of the race, signed a declaration in the terms set out in NoR 16 below. The RORC reserves the right to require a signed declaration, in the terms set out in NoR 16 below, from each crew member.

4.6 Safety and Lifesaving Equipment

Crew members’ attention is drawn to RRS 1.2 Life-Saving Equipment: “Each competitor is individually responsible for wearing personal buoyancy adequate for the conditions.”

A combined Lifejacket and Harness shall be worn when on deck:
- Between the hours of sunset and sunrise
- When alone on deck
- When reefed
- When the true wind speed is 25 knots or above
- When the visibility is less than 1 nautical mile

See also Special Regulation 5.02.

5 ELIGIBILITY - The Boat

5.1 Suitability

The race is open to seaworthy boats which comply with the rules and regulations described in the Notice of Race and which are manned by an adequate number of experienced crew who are physically fit to face bad weather. The minimum crew on any monohull shall be three apart from as allowed under NoR 5.3.1.3 Two-Handed Class. However, no person may race contrary to the terms of a ban imposed by the RORC, a National Authority or World Sailing.

5.2 Boat Size

There is no maximum size for boats in the RORC Caribbean 600. The minimum size for monohulls is determined by their rating and their SSS/STIX & AVS numbers. The minimum size for multihulls is 9.15 metres/30ft (LOA) with a minimum MOCRA rating of 1.200.

The committee may make exceptions on application.

5.3 Divisions

5.3.1 IRC – Boats rating 1.004 and greater

IRC Rules Parts A, B and C shall apply, except as varied below or in the Sailing Instructions.

5.3.1.1 IRC Rule 22.4.2 – Crew Numbers

IRC Rule 22.4.2 is deleted and replaced by “The maximum number of crew that may sail aboard a boat shall be the number shown on the certificate. There is no weight limit.”

NOTE: The above provision overrides IRC Rule 22.4.1 in respect of One-Design classes. However a class may wish for its own purposes to apply its own crew limits of less than the IRC Certificate number. It is recommended that the Person in Charge consult their Class Association and the RORC.

5.3.1.2 IRC Rule 15

Automatic and wind-vane devices for steering are permitted. This amends IRC Rule 15 and RRS 52.

5.3.1.3 Two-Handed Class

A Two-Handed Class within IRC will be available in the RORC Caribbean 600 Race. Boats will be eligible for both Two-Handed and IRC rating band class trophies. Entries must satisfy the committee that they have suitable and adequate experience and that their boat is appropriately prepared for two-handed sailing.
5.3.2 CSA - Boats rating 0.870 and greater
The RORC Caribbean 600 Race will be open to boats with a Caribbean Sailing Association rating. Boats with a valid IRC Certificate and a valid CSA Certificate will be dual scored.

5.3.3 Multihulls - Boats rating 1.200 and greater
Offshore multihulls with endorsed MOCRA (Multihull Offshore Cruising and Racing Association) rating certificates may enter a multihull division of the race. For more information on MOCRA and to apply for a rating visit the MOCRA website (http://www.mocra-sailing.org.uk). The minimum crew for multihulls is two. In two-handed multihulls wind vane steering is permitted. This changes RRS 52.

5.3.4 Level Racing
When at least six boats from a class, which in itself races “level” and is recognised by the RORC, take part in the race, a class result may be provided. With prior permission from the RORC, certain classes may be allowed to race under class rules within RORC racing (e.g. Class40).

The RORC reserves the right to amend the class splits in the light of 2021 data before the start of the race.

5.5 Ratings, Rating and Class Certificates Deadline
Boats shall hold valid rating/class certificate(s) by the Rating Deadline. Changes to ratings and class certificates will only be accepted after the Rating Deadline in exceptional circumstances at the discretion of the RORC. Every boat racing shall have on board a current valid signed copy of the rating and/or class certificate for the class or classes in which she is racing. For boats dual-scoring in IRC and CSA, the boat configuration must be identical to that on the IRC Certificate used.

5.6 2020 World Sailing Offshore Special Regulations (OSR) and RORC Prescriptions

5.6.1 OSR Compliance
Responsibility for compliance rests with the Person in Charge of the boat. However, the RORC will endeavour to help Competitors to understand the OSR and reserves the right to conduct an OSR inspection on any competitor’s boat at any time.

5.6.2 Automatic Identification System (AIS)
Boats shall carry an AIS Transponder capable of transmitting and receiving throughout the race.
Competitors shall use their best endeavours to ensure that their AIS Transponder is switched on (i.e. transmitting and receiving) throughout the race.
Competitors shall ensure that the name of the boat is transmitted rather than just the MMSI number.
The Person in Charge shall, before the race, complete an OSR Checklist (available on the Documents Page).

6 STABILITY AND SAFETY INDICES
In accordance with OSR 3.04.2 the RORC uses minimum stability/buoyancy indices. For boats competing under IRC either SSS or STIX and AVS indices are used depending on the series date of the boat and the category of the race. Monohull boats not racing under IRC shall satisfy the RORC that they meet the requirements of other stability indices for the category of the race.
In exceptional circumstances the RORC may accept other indicators as to the suitability of the boat for the race.

6.1 SSS or STIX and AVS
Boats with series date of 2000 and later will be categorised under STIX and AVS only.
Boats with series date before 2000 may be categorised under either STIX and AVS or SSS.

Berthing is not included in the entry fee and should be organised by the competitor.

10 COURSE

Approximately 600 miles.

Please see “Figure 1 – The Course” below for an overview of the course. Detailed instructions will be available in the Sailing Instructions and on the RORC Caribbean 600 Minisite (caribbean600.rorc.org).
11 TRACKING
It will be mandatory for boats to carry an Offshore Tracker unit for the RORC Caribbean 600 Race. The units are standalone and will be supplied by the RORC. The entry fee includes tracking. Once issued to the boat the Tracker becomes the responsibility of the skipper/owner and loss of or failure to return the tracker will be charged at £800.

12 PENALTIES
12.1 Taking a Penalty (RRS 44)
When the right-of-way rules of IRPCAS apply (between the hours of local sunset and sunrise) a scoring penalty applies.

Except when a scoring penalty applies, a boat may take a Two Turns Penalty as permitted and described in RRS 44.2 for breaking a rule of RRS Part 2.

12.2 Penalties for Infringements of Other Rules
Penalties for infringements of other rules will be detailed in the Sailing Instructions.

13 COMMUNICATION
A boat may, without infringing RRS 41, request and receive repetition of information broadcast by the Race Committee, or be told whether or not a broadcast has been made.

13.1 Weather and Tidal Information
Rule 41(c) is replaced by:
A boat shall not receive help from any outside source, except (c) help in the form of information which is freely available to all boats, which shall include navigational, weather, tide or current information from any source which is available to all boats whether or not by payment of a fee or subscription, but shall not include information gathered or the subject of interpretation by, or any advice received from, any source not on board the boat which is specific to the boat and her situation.

By way of an example and interpretation, downloading charts, weather and/or tidal GRIB files from subscription services, or having such information passed to the boat in its pure form, is permitted but receiving messages or information which is the result of interpretation as it applies to the boat is not permitted.

14 SCORING
14.1 Cox-Sprague High Point Scoring
The scoring system will be the High Points System as detailed in the 2020 RORC Notice of Race:
RRS Appendix A is changed; paragraph A4 will not apply.
Points will be multiplied by the Points Factor of 1.4 when applied to the 2021 RORC Season’s Points Championship.

A boat that is penalised under RRS 30.2 or that takes a penalty under RRS 44.3(a) shall be scored points as provided in RRS 44.3(c).

15 RACE TROPHIES AND PRIZES

Race Entry Form Declaration to be signed by every Person in Charge
To the best of my knowledge the information I have given is accurate. I understand that yacht racing can be dangerous. I agree that the RORC, organising clubs, other sponsors and their agents, have no responsibility for loss of life or injury to members or others, or for the loss of, or damage to any vessel or property. I have paid particular attention to and agree to be bound by Special Regulation 1.02 and I have read and understand and where appropriate agree to be bound by RORC NoR 1.4 Responsibility. Before racing I will affect adequate and suitable insurance. Before racing I will ensure that my crew is aware of:

• the undertaking in this Declaration
• the importance of effecting appropriate personal insurance
• their responsibility in rules observance, and in particular RRS 1.2 (wearing personal buoyancy adequate for the conditions). See also RORC Prescription to the Special Regulations 5.01.5

I agree to be bound by RRS, RYA Prescriptions, this Notice of Race, World Sailing Offshore Special Regulations and other applicable rules. The boat will be available for inspection. If any alteration likely to affect the handicap or rating is made, e.g. to sails, rig, mast, ballast, trim, engine or propeller, I will notify the Rating Authority and Race Committee immediately. I will ensure that no crew member races on my boat contrary to the terms of any ban imposed by World Sailing, or a National Authority or the RORC.

I understand and agree that the information given in this race entry and also the race entry lists and results will be maintained on the Club’s computer to be used for all aspects of race organisation.

17 INSURANCE
Boats shall be adequately and suitably insured before racing.
