

NOTICE TO COMPETITORS - 2

Competitors attention is drawn to a submerged rock off Pointe A Toiny, east coast of St Barths. Rock is on the 10m contour on the chart, but water breaks over it in a sea state. It is on the rumb line between Roche Rouge and the top corner of St Barths.

Approximate location at **17 53.522n. 062 47.430w.**
